

Time with my family

On Saturday, when my family and I woke up, we opened our presents.

First we went to get some food and had KFC for lunch, and we went back home and we got a two piece chicken and fries and five drinks for me and my family.

Then I went back home and I went to my room and watched TV. I watched The Fast and the Furious and ate my food that I had. It was so yummy.

Next my siblings and I went to the movies and we watched Cars and ate popcorn and we drank our drinks and lastly we ate lollies and ice blocks.

Afterwards we went to the arcade to play a game with my siblings and mum and dad. First we needed a card so we could play games. When we got a card we started to play games and when we got tickles we got more candy.

We went back home and we took a little sleep in our room to get energy, because we were going to see our cousins talk and chill there. We were sleepy there and woke up so mum picked us up. Finally, We got more sleep because we had school the next day.

This was the best day I ever had in my life and I wish this would happen again.
