II: To think about both sides of an issue

Yes

Yes Because the peel my be good for you and it might help you and don't get hurt. **Yes** and the peels just not ganna make you sick and and some ether peels my not be good for you and some other peels too might kill you.and you know the new peel and you have water the peel might be infected and it might make you body weak.

No

No Because think some of the new peel and the dorter might not have tried the new peel and the new peel might be sick for you and make you body dead and make you hungry and you might have no food and no drink and thats why you should always try is before you make get sick and make die and the Animal might be the rarest Animal and your Animal might be Dead and you ganna cry because that is Animal

My opinion

I think...
